• <i>Cumulative GPA:</i> 4.0 <i>Honors:</i> Dean's List [Fall 23 – Present], VSB IDEA Challenge Finalist • <i>Relevant Coursework:</i> Data Mining & AI, Corporate Finance, Decision Analytics & AI, SQL, Business Analytics, Management Information Systems, Financial/Managerial Accounting, Equity Markets & Valuation, Fixed Income & Securities, Marketing Analytics, Micro/Macro Economics	

WORK EXPERIENCE

Microsoft • Redmond, WA	May 2026 – Aug 2026
Financial Analyst Intern MCAPS Core FP&A	
• Built an AI-powered forecasting model using GitHub Copilot for a \$30 billion business unit, back testing against the prior forecast to cut error by roughly 34% and save 3,400 hours annually • Delivered a self-service platform with live dashboards, scenario building, and automated data queries for the AI-powered forecasting model, driving adoption across the broader finance team and its stakeholders • Built an AI agent that automated the Power BI Financial Reporting commentary process on a monthly cadence, shaped by direct input from finance stakeholders on their reporting needs, saving 25 hours annually	
Lockheed Martin • Orlando, FL	May 2025 – Aug 2025

Corporate Finance Intern Missiles and Fire Control	
• Contributed to long-range planning by performing financial modeling, preparing management reports, and conducting in-depth analysis of orders, sales, profit, cash, and cost on contracts totaling over \$1 billion • Supported program budgeting, scheduling, and financial planning by tracking cost performance and implementing baseline adjustments to align with financial goals • Improved financial processes by implementing Excel automation tools, including PivotTables and VBA macros to streamline data reporting, maintenance, migration, and metrics analysis	

Mid-Atlantic Federal Credit Union • Germantown, MD	May 2024 – June 2024
Operations Support Specialist	
• Ensured transactional integrity across kiosk, ATM, and mobile deposits, detecting and resolving \$50,000 in fraudulent activity to mitigate financial risk • Led onboarding for new employees, training employees on XP Banking Platform, Fiserv Credit Solutions, and policy protocols to enhance operational consistency and customer engagement	

Operations Support & Asset Protection Intern	August 2022 – June 2023
• Support Asset Protection by ensuring documentation compliance, administering loan payments, verifying litigation clients, and processing delinquent payments, reducing delinquencies by 15%	

LEADERSHIP EXPERIENCE

Alumni Coordinator • Villanova Business Analytics Society	May 2025 – August 2026
• Facilitate alumni engagement by organizing events that provide students with career insights and direct lessons in analytics tools, fostering mentorship and professional growth for 375 students • Maintain and update the alumni database to streamline communication and support sustained professional relationships between alumni and students	

Eagle Scout - Senior Patrol Leader • Boy Scouts of America • National Capital Region	2016 – 2022
---	-------------

PROJECTS
